Discussion

4. What worked from last year's recommendations?
1. What works? Often when we are able to connect directly with CM's, allies in the Enterprise are able to follow up on things
2. Can we get multi-stall GN restrooms required? - TRACK, ASK AMY, then figure out stage in permitting process
3. Can Civil Rights support property owner training and "Know Your Rights" bathroom content? - TRACK and MALAYSIA connect (ideally in time for report-back by next meeting)
4. Are there orgs that are already doing trans-specific housing adjacent work?
 1. Who has capacity? Avenues, The Link? Kenzie will keep an eye on what's going on at The Link (including Project Live Out Loud)
5. Would be cool to work with TC Quorum on some of the other avenues to Supplier Diversity work in the meantime
6. During recommendation season, prioritize so that Track knows which things to work on first
